Deposit agreement

By signing this DEPOSIT CONTRACT, I understand that WAGS & WISHES ANIMAL RESCUE is holding a puppy for me, to be adopted when it is deemed ready to be separated from the litter. On the day that my puppy becomes available, I will be called on the phone number(s) I have provided, and messages will be left if there is no answer. At that time, I will have three business days (Tuesday through Saturday) to call back with a time and place for pick up and adopt the puppy. If I do not contact WAGS & WISHES ANIMAL RESCUE within three business days, my deposit will be forfeited, and the puppy will be placed up for adoption to the next person on the list.

I understand that my \$50 deposit is non-refundable. If I do adopt the puppy, the \$50 will be applied to the cost of spaying or neutering my puppy, and I will owe the remainder of the spay/neuter cost as well as the adoption fee at the time of adoption. If at any point while the puppy is on hold for me I decide I no longer want to adopt him/her, I will call WAGS & WISHES ANIMAL RESCUE as soon as possible, and my deposit will be considered a donation to the shelter.
